

Current ESPI report No. 11/2020

Date of Preparation: 2020-07-29

Short Name of Issuer: QUARTICON S.A.

Subject: Information on quarterly sales revenues in 2<sup>nd</sup> quarter

The Management Board of QuarticOn S.A. [“Company”, “Issuer”] informs that in connection with the completion, on 29 July 2020, of postings and summary of sales data obtained in the SaaS channel [Software as a Services] through e-commerce platforms in the second quarter of 2020, the Company provides the below mentioned data.

Information on the quarterly sales revenue in the SaaS channel in the second quarter of 2020 is provided below, while the same sales results are attached in the form of a table.

SaaS clients [monthly average] – quantity:	69
SaaS revenue [quarterly]:	13 768 EUR
SaaS ARPC* [monthly average]:	66 EUR

\*ARPC [Average revenue per paying customer] - average revenue from an active [paying] customer calculated according to the formula – revenues from the SaaS segment [monthly] / number of paying customers in a month.

The Company informs that the sales results presented above do not constitute the initial financial results of QuarticOn S.A., but in quarterly terms, they present sales data from the accounting and invoice system in the SaaS channel, while the final financial results of QuarticOn S.A. for the second quarter of 2020 remain aggregated and will be published later.
