Date of Preparation: 2020-06-02

Short Name of Issuer: QUARTICON S.A.

Subject: Partnership agreement with Orange Polska

Content of report:

The Management Board of QuarticOn S.A. ["Company", "Issuer"] informs that today, i.e. on June 2, 2020, the Company has concluded a partnership agreement with Orange Polska S.A. ["Orange Polska", "Orange Poland"] under which solutions for ecommerce, developed by the Issuer, will be included in the offer of services offered by Orange Polska S.A. for B2B customers with online shops. The signed contract is a proof of concept type agreement and the results of the cooperation will be evaluated in Q4 2020.

The Company's Management Board assume that the conclusion of the above agreement with Orange Polska can be an important factor in attracting a large number of customers for products offered by the Company. Orange Polska is a leader on the Polish market of Internet, data transmission, telecommunications and ICT services [information and communication technologies], has one of the largest sales networks for the B2B market, with a large portfolio of business clients operating in the online sales sector, to whom the ecommerce solutions using artificial intelligence developed by QuarticOn S.A. will be offered.
